Cute Kidz Contest 2012

How it works ...

Enter your baby or child in the 2012 Cute Kidz Contest for the chance to win numerous prizes from local businesses! **Proceeds of the contest will benefit the CHN Foundation's grant-making program.**

Sessions are \$35 ^{+tax} and include 4-6 poses and a luster sprayed 8x10 for entering into the contest (which you will get to keep after July 2nd). Sessions must be held April 16th – May 5th and are limited to one child and one outfit per session. An additional sibling can be photographed and entered for only \$10 more.

Prizes will be awarded in three categories:

- * People's Choice Overall – Prizes awarded to top three vote winners
- * Judges' Choice Cutest Baby (infant – 1 year)
- * Judges' Choice Cutest Kid (2 – 5+ years)

From the images captured from your session, you are welcome to purchase additional prints for yourself or friends and family, however there is no obligation to do so. This is a great opportunity to get updated professional pictures of your child while helping a great cause.

The display will travel to various locations in June for the community to view the contestants and place their votes. Voting ballots will be available for purchase for \$1 each at each location. Voting can also be done on-line at anytime with a credit card. 100% of the voting proceeds will benefit families and children in our communities through the CHN Foundation.
